

THE LONDON N°1®

## The London No.1 Gin: *Quintessential Gin and Tonic gin*

The London No.1 is a London Dry style gin concocted by Master Distiller Charles Maxwell. It is triple distilled in London in small batches and made with highest quality English grain spirits.

The London No.1 has a subtle turquoise blue color and contains 12 carefully sourced and selected botanicals including Bergamot which provides a subtle aroma found in Earl Grey tea. The other botanicals are: Juniper, Coriander, Angelica Root, Lemon Peel, Cassia, Licorice, Cinnamon, Almond, Savoury, Iris Root and Orange Peel.

It is well-rounded with some spicy and balsamic notes which, coupled with the 47% alcohol, makes it a perfect gin and tonic gin. This is evidenced by its lead role in the “Gin Tonic” craze that is flooding across Spain.
