Crianza 2012**

“This juicy red is fresh, focused and light-bodied, but there's intensity to the cherry, berry, leafy and vanilla flavors. Balanced and clean, with a spicy finish. Drink now through 2020.”

**Beronia  
Crianza 2012**

“A champion in drinkability (8% Garnacha and 2% Mazuelo), the 2012 Crianza has aromas of red wild berries, a lactic touch and discrete creamy oak. The palate is also very commercial , juicy and lush with no noticeable tannins and fruit flavors. This is designed to be drunk young. Now get this, 3.6 million bottles were produced!

Beronia is owned by Gonzalez Byass from Jerez and produces reliable, commercial-driven wines that offer good value.”
