

Tempranillo Special Production 2011

Region	Rioja
Winemaker	Matias Calleja
Grape Type	100% Tempranillo
Production	5,000 cases
Alcohol	14%
Vinification	Harvested mid October. Fermentation took place in stainless steel deposits to extract aroma and color. The wine was then transferred to American oak barrels for 8 months.
Vineyards	Influenced by the Atlantic and Mediterranean and has a variety of chalky and clayey soils. The best bunches are selected in their optimum point of maturation.
Tasting Notes	Deep maroon red color with raspberry rim. Intense nose of red fruits and blackberries standing out, perfectly balanced with menthol aromas over a base of chocolate. Well balanced on the mouth, fresh with lots of fruit and reminders of cocoa.
