Beronia 2012 Tempranillo

“Vivid ruby. Jammy red fruit aromas are sharpened by white pepper and minerals. Juicy and smooth in texture, offering gently sweet, raspberry and cherry flavors and a touch of mocha. Open-knit and very easy to drink, with gentle tannins adding shape to the fruit-driven finish.”

“Displays a perfumed nose of ripe fruits, blackberries, and strawberries with the wood well-integrated. It has a polished palate with good fruit, balanced and length.”
