**Champagne Palmer Amazone
Brut NV**

“Half-and-half Chardonnay and Pinot Noir from premier and grand cru vineyards, this is a rich wine that has bottle age giving it a toasty character. It is full and ripe- still keeping acidity while bringing in mature flavors such as almonds and walnuts. This is a serious, complex and mature wine. Palmer is the brand name for a grouping of seven growers.”

Champagne Palmer Amazone Brut NV

“Rich notes of walnut and toasted brioche lead the way in this well-integrated Champagne, while a firm acidic frame focuses the flavors of poached pear, oyster shell and singed orange peel, accented by hints of honey clover and white truffle.”
